

Eleven students recently completed our accredited City & Guilds' Professional Cooking and Food and Beverage Service Programme, a world renowned qualification within the hospitality industry, at The Private Hotel School's (PHS) campus in Vlotenburg, Stellenbosch. As part of the 10-week accredited programme, our students are trained in the City & Guilds' Skills Proficiency Awards in Basic Food Preparation, and Food and Beverage Service. The programme consists of seven weeks of theoretical and practical training at the PHS campus, followed by a three-week work-integrated learning opportunity at a range of hospitality and tourism organisations. The programme therefore prepares students for employment opportunities as professional waitrons, cooks, kitchen assistants and assistant chefs in the hospitality and tourism industries. If you are interested in interviewing one of our students for a job, please contact our Placement Bureau Manager, Ms Sinazo Gosani, at employ@bergzicht.org.za for a copy of the CV of the student/s you are interested in employing and to arrange a meeting with the prospective employee/s at Bergzicht Training's offices.
