

EDU CARE GRADUATES
GROUP 3 – 2017
Sponsored by Bergzicht Training
7 August – 24 November 2017

Twelve students recently completed our Edu Care Programme and a certified two-day first aid course to equip them to become education assistants at crèches and day care centres, in children’s playgroups, and to work as au pairs. During the 12-week Programme our students cover a range of important topics like child development, perception challenges, age appropriate creative activities and literature for different stages of childhood development, baby care, and how to prepare a balanced meal. They also complete a work-integrated learning opportunity at an Educare institution to gain valuable practical experience in the classroom. Please contact our Placement Bureau Officer, Sinazo Gosani, at employ@bergzicht.org.za for a copy of the CV of the student/s you are interested in employing and to arrange a meeting with the prospective employee/s at Bergzicht Training’s offices.
